WELCOME

HSM

Hi Parents!

You are entering the phase with your student when their friendships are shifting, there's greater focus on academic success, and they want even greater independence. They continue to crave belonging with their friends, but you will start to see a greater shift to the key question, "Do I matter?"

YOU BELONG HERE! You will hear this statement often this upcoming year. We feel strongly that every experience and environment is a place where students BELONG.

You Matter! This is a statement that we hope to see lived out in the lives of every student as they discover their unique gifts and abilities, as well as learn to own their faith and express it through serving at Hope, locally, and globally. In HSM we intentionally shift our ministry to help students be a greater part of Weekend Services, Serving, and Small Groups.

You Belong and You Matter! These statements are true for parents too. You are not alone on your journey! Stay connected by keep your student plugged in, consider volunteering, and develop community with other parents.

June 27/28 - Tour Date #4

July 11/12 - Promotion Weekend
Students will be 9th Graders

our strategy

All students need a safe place to explore questions of faith; some students need to be challenged to deepen their trust in Jesus; still others may need opportunities to discover their spiritual gifts and lead in various ministries.

Everything we do is designed to meet students wherever they are on their journey and give them a clear next step to grow in their relationship with Jesus Christ and surround them with people that will encourage them to know they are created by a God who loves them and gives them a sense of belonging!

We design two types of environments to reach students where they are and encourage them to grow in their relationship with Jesus Christ.

REACH ENVIRONMENTS are designed to be filled with fun experiences that students can have fun and begin to realize they want to belong and that they do belong here. These events are also created to be easy invites for friends.

GROW ENVIRONMENTS are designed to encourage students to grow in their relationship with Jesus Christ and become disciples, followers of Jesus, and then they encourage others to become disciples of Jesus.

Our Tagline: **YOU BELONG HERE**

This tagline will be used in our physical environments and digitally to help everyone to focus on students here and those that are not here yet. We believe every high school student matters and they have a place to **BELONG** at Hope Community Church.

You can get connected to the HSM Pastor at YOUR campus at any point.

2020 Road To Promotion Key Dates:

Tour Dates are designed for 8th graders and their small group leader to hang out with HSM between services. Plan to stay late or show up early to get to know the HSM Pastor at your campus.
