Lord, you

are great.

You are really

You are.

Elementary August week 1 pg. 2

Genesis 1-2:4

In the beginning

there was God.

He created the

heavens and the

Earth. He said let

there be light. He

saw that this was

good. He separated

the waters from

the sky and dry

land from the seas.

Elementary August week 1 pg. 3

Then God created

plants and trees.

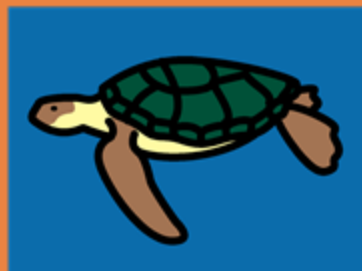

The next day

stars and galaxies,

sun and moon.

He filled the seas

and sky and then the

land, with animals.

He created people

in His image. His

creation was complete

and it was good.

Elementary August week 1 pg. 4

There's no

limit to

God's creativity.

Basic Truth

trust God

no matter what.

Elementary August week 1 pg. 5

What is the

most interesting

thing you can

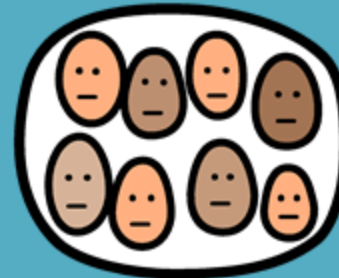

think of in

all of creation?

If we believe

everyone is

made in

God's image,

how should that

impact the way

we treat others?
