

Breaking a bone

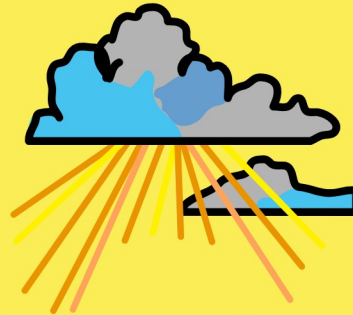

is painful, have you

broken a bone?

Colossians 1:19-22

God was pleased

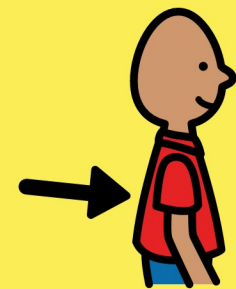

to live in Christ.

He was able

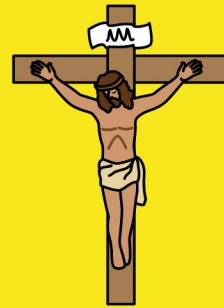

to bring All things

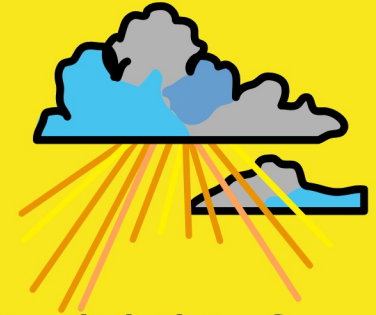

back to Himself,

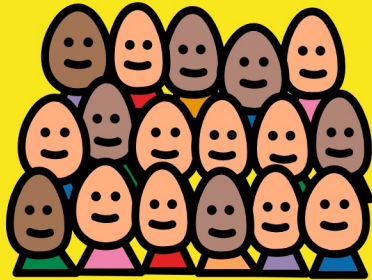

through Christ's

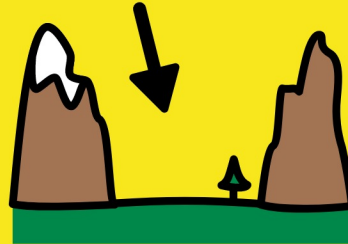

death on the cross.

He did this for all

of us who were once

seperated from Him

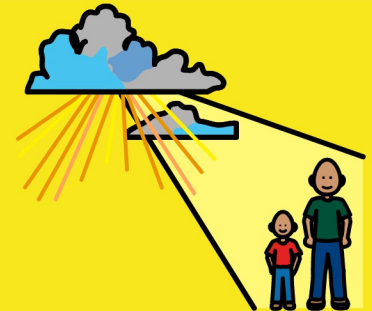

becasue of our sin.

We can now stand

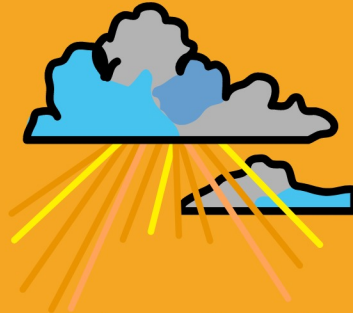

Holy and Blameless

before God.

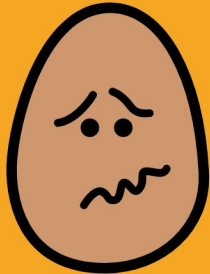

How do you feel

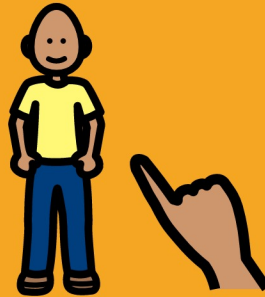

knowing the God

of the Universe

chose to suffer so

you could have a

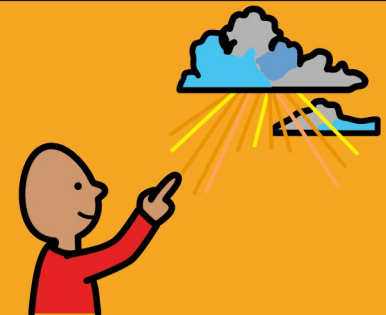

relationship with Him?

How can we take our

pain and questions

to God?
