Luke 15:11-32 NIV

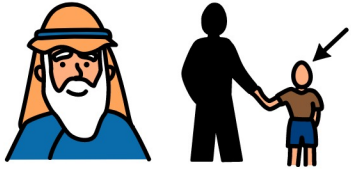

One day, tax collectors and sinners were all

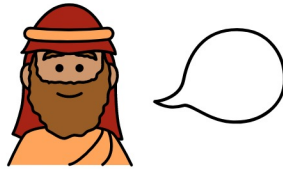

gathered around to hear Jesus.

Jesus was telling parables (stories). Jesus said,

There was a man with two sons.

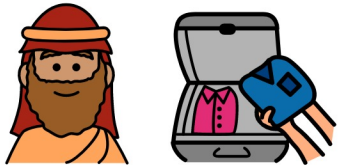

The younger son said to his father,

"Father give me my share of the family inheritance."

So the father divided the share between the two brothers.

The younger son packed up his belongings and

and left for a far away country.

There he wasted all of his money and spent everything.

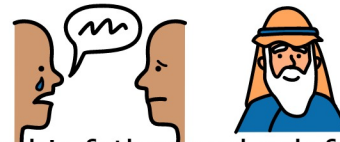

Then there was a famine and he had no money

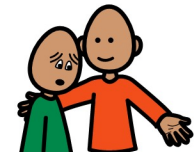

and no one would give him anything.

So he decided to go back home

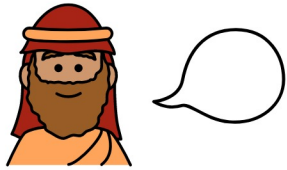

to his father and ask for forgiveness. While the son was near home

his father saw him and ran to him. He threw his arms around him and kissed him.

KC March 26 2023 Pg 3

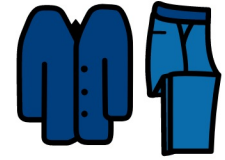

The son said to his father,

"Father, I have sinned against you.

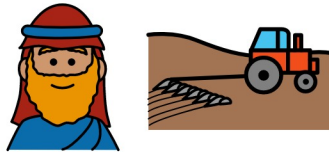

I am no longer fit to be called your son."

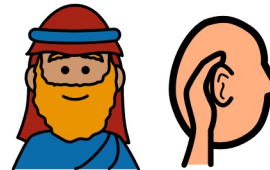

But his father had fresh clothes for him

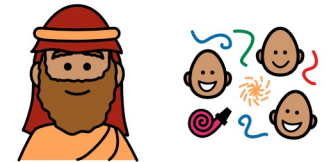

and was the guest of honor at a feast to celebrate.

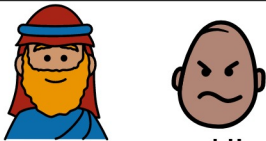

The older brother was in the field working.

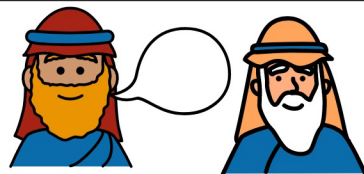

When he heard that his younger brother

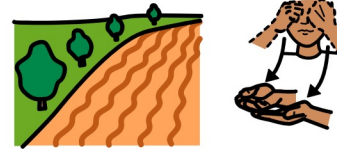

came home and was being celebrated, he

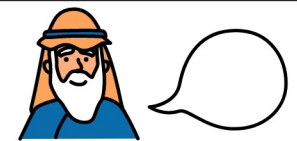

became angry. His father begged him to join the celebration

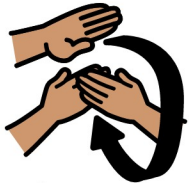

but he told his father, 'Look all these years

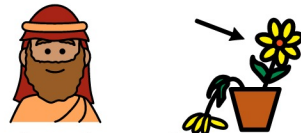

I've worked like a slave for you. I obeyed you...'

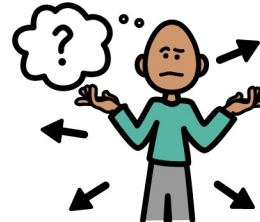

"My son," the father said, "you are always with me.

Everything I have is yours.

This brother of yours was dead and now is alive again.

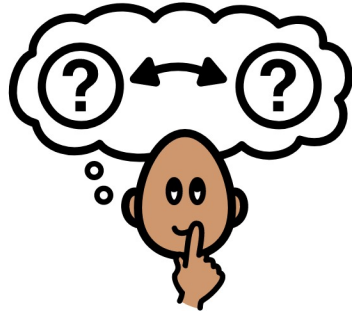

He was lost.

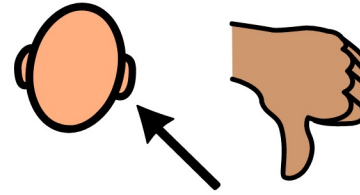

And now he is found."
