1 Corinthians 11:23-26;
Exodus 12

Jewish people ate a special meal called the Passover

in celebration of how God

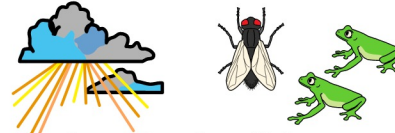

rescued them out of slavery from Egypt.

The meal reminded them of how hard they were forced to work

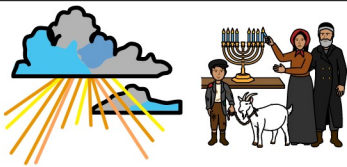

and that God had sent Moses to demand freedom for the Israelites.

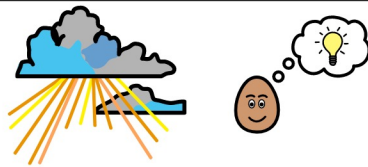

God sent a terrible plague so that Pharaoh would release the

Israelites. Pharaoh finally ordered them to leave.

God led the Israelites out of Egypt, to freedom.

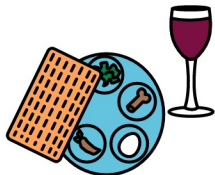

God told them to always remember this day.

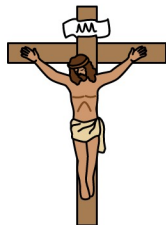

So the Israelites celebrated passover every year with a feast.

Jesus gave a brand new

meaning to the Passover meal

the night before He died.

In Corinthians, the Apostle Paul talks about

taking time to celebrate

communion also called the Lord's Supper.

The Lord's Supper is a celebration of how God

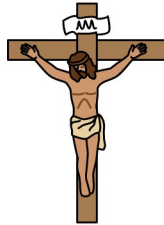

made it possible for everyone

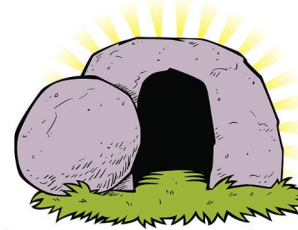

to be rescued from sin and death,

through the life,

death,

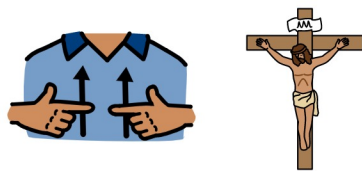

and resurrection of Jesus.

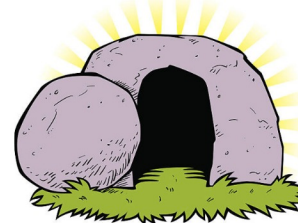

When we eat the bread and drink the cup,

we celebrate how

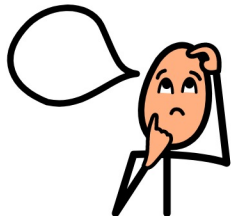

Jesus lived, died,

and rose again

to make us right with God.

It is so easy to forget the

wonderful things God has done.

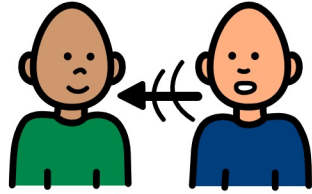

Jesus took the old habit of gratitude, the Passover,

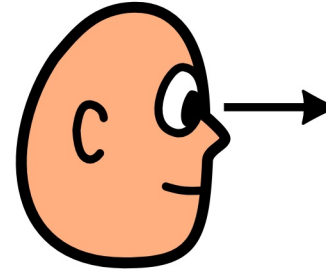

and turned it into the new habit of gratitude - the Lord's Supper.
