Romans 12:15 (*Supporting:
Acts 2:42-47*)

This week we learn
about the Apostle Paul

who traveled all over
teaching about Jesus.

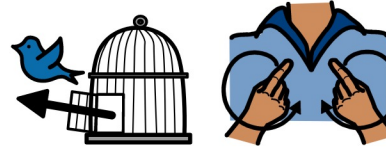

Paul couldn't be
everywhere at once, so
he wrote a letter

to the believers in Rome.

He wrote to the people
saying that those who
follow Jesus

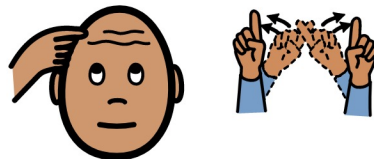

are set free from sin

and because of that, their
lives could look different.

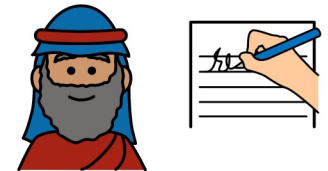

When we follow
Jesus,

God changes the way we
think. We also begin

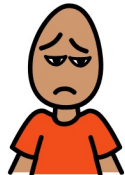

to treat people around us
differently.

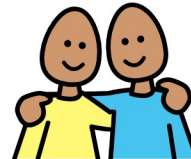

Paul wrote,

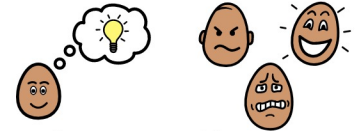

"Be joyful with those who
are joyful.

Be sad with those who
are sad."

Paul was talking about
EMPATHY.

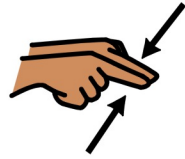

Showing empathy is
being aware of someone
else's feelings

KC July 21 2024 Pg. 3

or imagining how you might feel if you were

going through the same situation.

Showing empathy could help us be a good friend to others.

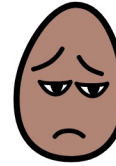

We can love others well by showing empathy.

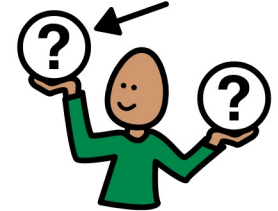

Showing empathy is not always easy.

We can celebrate other's successes with them -

even when we might feel disappointed.

We can choose to

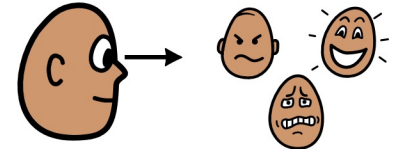

be happy for others and with others.

We can also be sad for others when they are sad.

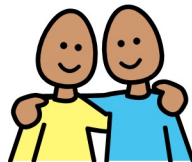

We can start showing empathy

by paying attention to their faces.

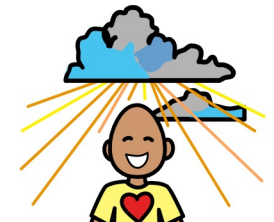

We can also try to understand how they feel.

When we do this, we are showing others

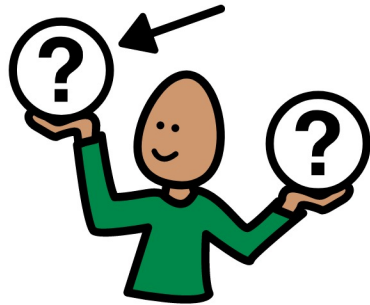

our love and

God's love for them.
